16oz. Beer Can Glass

## Beer Can Glass (TG16BC)

Have a client that owns a vineyard, pub, or brewery? Introduce them to another member of the stemless family. This 16 oz. plastic glass has a visually appealing design that allows for beautiful food and beverage presentation at all kinds of events! Made from a flexible shatterproof material, this glass adds a little fun at any indoor, outdoor and even pool side event!

A brewery has beer tasting events where guests can taste new beers. The new brews are served in beer can glasses printed with the beer's name and hopp content. The glasses are a fun twist to the traditional beer can, that make great souvenirs.

A local bar is having its annual summer festival and celebrates by handing out beer can glasses to the first 200 guests. Those who receive a free cup, get discounted refills for the entirety of the event as long as they give the bartender their commemorative glass.

At an outdoor summer wedding, the bride and groom have the beer can glasses printed with their names and some 'unknown' facts about their relationship for guests to read and have a laugh at. The guests then use the glasses throughout the night for beverages and to take home as a souvenir.

Beer can glasses are given in place of beverages in cans at a golf outing. The glasses are imprinted with a 'Thank You' message to participants for their time and monetary donations on one side. The second side displays the outing sponsors names.
